¹ In case the mobility combines teaching and training activities, **this template** should be used and adjusted to fit both activity types.

In the case of mobility between higher education institutions (HEIs) this agreement must always be signed by the staff member, the sending and the receiving HEI (three signatures in total).

² **Seniority:** Junior (approx. <10 years of experience), Intermediate (approx. >10 and <20 years of experience) or Senior (approx. >20 years of experience).

³ **Nationality:** Country to which the person belongs administratively and that issues the ID card and/or passport.

⁴ Any Programme or Partner Country enterprise or, more generally, any public or private organisation active in the labour market or in the fields of education, training and youth.

⁵ **Erasmus Code:** A unique identifier that every higher education institution that has been awarded with the Erasmus Charter for Higher Education receives. It is only applicable to higher education institutions located in Programme Countries.

⁶ **Country code:** ISO 3166-2 country codes available at: <https://www.iso.org/obp/ui/#search>.

⁷ The [ISCED-F 2013 search tool](http://ec.europa.eu/education/tools/isced-f_en.htm) (available at http://ec.europa.eu/education/tools/isced-f_en.htm) should be used to find the ISCED 2013 detailed field of education and training.

⁸ A **minimum of 8 teaching hours per week** (or any shorter period of stay) has to be respected. If the mobility lasts longer than one week, the minimum number of teaching hours for an incomplete week shall be proportional to the duration of that week. If the teaching activity is combined with a training activity during a single period abroad, the minimum is reduced to 4 teaching hours per week (or any shorter period of stay). There is no minimum number of teaching hours for invited staff from enterprises.

⁹ Circulating papers with original signatures is not compulsory. Scanned copies of signatures or electronic signatures may be accepted, depending on the national legislation of the country of the beneficiary organisation (in the case of mobility with third countries not associated to the programme: the national legislation of the EU Member State or third country associated to the programme). Certificates of attendance can be provided electronically or through any other means accessible to the staff member and the sending institution.
